**Amendment No. 0001**

**RFP No. NCG-9250001-0014**

**Date: June 20, 2016**

This amendment, (No. 0001) to RFP No. NCG-9250001-0014 for performing demolition of structures in various locations throughout Staten Island and Suffolk County, New York is being issued to extend change the status of firms eligible to submit proposals.

Change: This RFP is open on an unrestricted basis to all firms large and small to submit a responsible and responsive proposal, thereby eliminating the requirement of being a set-aside for W/MBE firms.

\*\*\*\*\*

*For assistance in proposal preparation, contractors are urged to contact their local Small Business Administration or research other available resources for proposal support. You may also contact the corporation or agencies below for assistance below at no cost or minimal cost. All contacts provided below are independent agencies ' or corporations with no affiliation with NorthStar Group Services, Inc., or the Governor's Office of Storm Recovery. NorthStar Group Services, Inc. makes no representations nor guarantees of the quality of assistance provided and contractors should investigate the types of services and cost provided prior at their own risk.*
